**NEARLY-NEW USED VEHICLES:
RENAULT TRUCKS “PREMIUM SÉLECTION” OFFERING**

Via its “Premium Selection” operation, Renault Trucks supplies customers with nearly-new vehicles, specially prepared and serviced by its network that also benefit from a full one-year warranty. This offering concerns Renault Premium Long Distance 440 hp Euro III vehicles with an average of 350,000 km on the clock. They are available at all dealerships belonging to the Truck Plus network - the Renault Trucks “pre-owned” vehicle franchise - and on www.truckplus.fr.

This Renault Trucks “Premium Sélection” operation gives customers the opportunity of acquiring used vehicles with near-new characteristics that have benefitted from servicing and preparation carried out by its own network. It concerns Renault Premium DXi 440 Euro III vehicles that have covered an average of 350,000 kms and have benefitted from the expert attention of Renault Trucks network teams. This consists of thoroughly cleaning the chassis, retouching the paintwork, polishing the cab exterior and thoroughly cleaning the interior as well as carrying out full servicing, during which all important points are checked. In terms of equipment, these vehicles feature side fairings, a sunshield, new tyres in the front and remoulded tyres in the rear. All of which gives these vehicles an “almost new” appearance and the advantage of a full one year warranty.
